

**Don't dare to stand in our way,
Cause Angry Cats ain't nice,
We're gonna enjoy a nice play,
We're the Cats and you're mice.**

We're Angry Cats, remember it,
We hunt, we prey, we always win,
We're the best, you'll admit it,
As your plans we will ruin

**Don't dare to stand in our way,
Cause Angry Cats ain't nice,
We're gonna enjoy a nice play,
We're the Cats and you're mice.**

You may hide, you may run,
To catch you will be fun,
We'll always find your trace,
Quickly and with cat's grace

**Don't dare to stand in our way,
Cause Angry Cats ain't nice,
We're gonna enjoy a nice play,
We're the Cats and you're mice.**

You may try to fight us,
But your efforts are futile,
We'll defeat with class,
We'll drag you mascot for a mile

**Don't dare to stand in our way,
Cause Angry Cats ain't nice,
We're gonna enjoy a nice play,
We're the Cats and you're mice.**
